Title appears to be incorrect and/or incomplete in referenced airtels.

Current Secretary of the Navy is Paul Nitze. If this is the Secretary of the Navy who was threatened by subject, spelling should be corrected wherever it has been used.

From information set forth in your airtel 4/27/66, captioned "[] Impersonation" it appears that [] is subject's true name. The names [] and [] logically seem to be aliases of the subject. If this is correct, the titles of both cases should be changed accordingly.

Reairtel 4/23/66 sets forth that INTC, NSI, Secret Service and Milwaukee Police Department have been furnished letters regarding this matter. Insure that appropriate corrections are made.

In letterhead memorandum transmitted by airtel 4/23/66, train is spelled incorrectly in paragraph one, line ten.

Bureau is not disseminating letterhead memorandum. Make appropriate corrections and changes and resubmit by return airtel.
